

A photograph of a wooden structure, possibly a buoy or marker, with several orange buoys strung across it. The structure is made of dark wood and is set against a clear blue sky. In the background, there are some buildings and trees, suggesting an outdoor setting like a harbor or a construction site. The text "Crac'issime!" is overlaid in a large, bold, white font with a brown outline.

Crac'issime!

Le 19 souffle ses 30 bougies
